Letters of the Month

Review of all the letters this month

Thank you. . .

To all the parents for such a wonderful
Teacher Appreciation Week. You truly made us
feel special!

Bible Corner

The Bible Stories for May:

"A Good Neighbor"

(from Luke 10)

"The Tiny Seed and the Big
Tree" (from Matt. 13)

"The Lost Sheep"

(from Luke 15)

May Science Fact . . .

An insect is a small animal with 6 legs, usually 2 pairs of wings, and a head, thorax, and abdomen. An insect has a body that is made up of 3 parts very clearly marked off, almost as if it had been cut into. The Latin word from which insect comes means "to cut into."

**Be sure to mark your calendars for the following days that
school and child care will be closed . . .**

May 21, May 24, May 25: Teacher In-service

May 31: Memorial Day

Little LAMBS Summer JOY begins on May 26, 2010. Remember, there is no additional registration required for preschool/pre-kinder students **who are already enrolled**, just let us know that your child will be staying for June and July.
